Dr. med. Jürgen Arnhold

---

The **Private Medical Club** GmbH would like to introduce the Oncology Diagnostic and Treatment Program developed by Dr. med. Jürgen Arnhold in Königsstein, Germany.

This program includes various tumor and cancer therapies, medical laser and photodynamic therapy, immunotherapy and professional oncology diagnostics. Dr. med. Arnhold offers not only a conventional cancer therapy, but also a broad range of complementary and alternative therapies, that include nutrition plan consultations and support and strengthening of immune system.

## Dr. med. Jürgen Arnhold

Born in Germany, Dr. med. Arnhold started his medical career as Urologist. After finishing his Fellowship MD Program at Anderson Cancer Hospital in Houston (TX, USA), he worked at the Urology Clinic in Offenbach am Main (Germany), at the Private Clinic of Urology in Friedrichsdorf (Germany) and also as a Head of Urology Dept. at the Cancer clinic St. Georg in Bad Aibling (Germany).

Practicing since 1990 and having a broad experience in areas of Urology and Urologic Oncology, Dr. Arnhold moved his work's emphasis in the direction of an alternative Urology, Oncology and Immunotherapy. Working with patients at his clinic in Königsstein, he also provides consultative medical support on international level (Austria, Italy, France and Sweden).

## Mission and objectives of Dr. med. Arnhold's program:

---

The objective of Dr. Arnhold's work is to offer the most advanced technologies and therapies which are currently available. Immediate and direct access to leading medical professionals, with care tailored to the individual patient's needs.

- **Prevention**
